About dxFeed

dxFeed is a leading data solutions and index management provider for the global financial industry, both in traditional and crypto. According to the WatersTechnology 2022 IMD & IRD awards honors, the firm is the Most Innovative Market Data Project. dxFeed's primary focus is delivering financial market data and services to buy- and sell-side institutions in the global financial industry. This includes brokerages, prop traders, exchanges, individuals (traders, quants, portfolio managers), and academia (educational institutions and researchers).

Today dxFeed is:

- 6+ million end-users through direct and B2B2C relationships
- 200,000+ simultaneous streaming clients
- 2.5+ million instruments (equities, futures, options, indices, FX, crypto, etc.)

Financial data is delivered from a variety of exchanges in North America, Europe and around the world. dxFeed's infrastructure spans six data centers in the United States and EMEA regions, with additional worldwide coverage through AWS cloud infrastructure.

About dxFeed (B2B2C/retail partnership network)

dxFeed is a leading market data provider with a primary focus on delivering financial information and services to all kinds of institutions in the global financial industry:

- For brokers: exchange compliant onboarding wizard for new clients
- For trading and analytical platforms: full order depth data, raw and aggregated, for the best visualization
- For educational platforms, paper trading: real-time and delayed data for educational purposes.

The company offers market data as a service to improve trading platforms with hassle-free market data integration, including handling all operations with exchanges and providing platform's customers with quality data (real-time, delayed, historical and charting data from all major US, Europe, and APAC exchanges).

Today dxFeed is:

- 6 million end-users through direct and B2B2C relationships
- 200,000 simultaneous streaming clients
- 2.5+ million instruments (equities, futures, options, indices, FX, crypto, etc.)
- 10 + years in the market
